

# JAW Redux

Discover a striking new mosaic border series, JAW Redux. Our glass artists assemble single colors in alternating Pearl and Silk finishes to create a dynamic pattern that emulates the essence of cascading water. The hand-crafted glass border provides design flexibility for waterlines, feature walls, and architectural accents. Easy to use straight out of the box or add corresponding field material to increase the border height. Choose from 10 colorways to create visual impact for pools, spas, showers, water features, and other border applications—where elegance meets practicality, indoors and out.

NOTES					
<p>Since variations are common in artistic glass tile, we recommend final selection be made from an actual tile mock-up. To achieve optimal results in shading, layout and design, tile should be randomly selected from multiple boxes during installation. We recommend a minimum of 10% overage on all orders. Please take care when grouting and protect surface from abrasion. <b>Installation constitutes acceptance.</b> We advise retaining control samples to aid in color matching if additional material is required (match not guaranteed).</p>					
MAINTENANCE					
<p>A routine cleaning of <b>JAW Redux</b> tile can be done with a light duty non-abrasive, close to neutral pH detergent cleaner.</p>					

\* Acceptable for use near open flame or heat source; However it is NOT considered 'Fire Glass'.
