### NOTES

Since variations are common in artistic ceramic tile, we recommend final selection be made from an actual tile mock-up. To achieve optimal results in shading, layout and design, tile should be randomly selected from multiple boxes during installation. We recommend a minimum of 10% overage on all orders. Please take care when grouting and protect surface from abrasion. **Installation constitutes acceptance.** We advise retaining control samples to aid in color matching if additional material is required (match not guaranteed).

### MAINTENANCE

A routine cleaning of **Linen** tile can be done with a light duty non-abrasive, close to neutral pH detergent cleaner.

\* Acceptable for limited and sporadic exposure near open flame or heat source, including fireplace wall/cooktop surround. **Not** recommended for placement inside a firebox.

#### FLOOR APPLICATION DEFINITIONS:

**Light Residential** - Flooring areas subject to soft-soled footwear or normal footwear traffic without abrasive soil/dirt, such as bathrooms and bedrooms without exterior access and minimal pivot points.

**Residential** - Flooring areas subject to soft-soled or normal footwear traffic that may contain amounts of abrasive soil/dirt, such as living rooms, dining rooms or other rooms with exterior access.
