

Introducing Jonathan Adler's debut tile series with Lunada Bay Tile—Shelter Island. Inspired by the tones of the land, sea, and air surrounding Jonathan's iconic home, these quiet, semi-matte hues are harmonious with both minimalist and maximalist spaces. Shade Variation	Grout Joint Recommendation		NOTES		
V1 - V2 Slight Variation	1/8" (3 mm)		<p>Since variations are common in artistic ceramic tile, we recommend final selection be made from an actual tile mock-up. To achieve optimal results in shading, layout and design, tile should be randomly selected from multiple boxes during installation. We recommend a minimum of 10% overage on all orders. Please take care when grouting and protect surface from abrasion. Installation constitutes acceptance. We advise retaining control samples to aid in color matching if additional material is required (match not guaranteed).</p>
